New York success in Reading

Over the last term New York have improved their reading by taking time out to read in the morning and during our weekly library lesson. They read to the staff members and can answer questions on the book they are reading. We have also been quizzing on our books using accelerated reader, which shows us how much we understood the book.

We are happy to announce that combined New York have improved their reading age by a huge **9 years and 2 months** since September. We are very proud of our results and will continue to read to keep up this record.

“Reading is a good way to improve our communication skills because it teaches us new words. Reading is good and will help me when I am older” - Joshua

“Reading is interesting” - Owyn

Career Networking Event

We are holding a Careers Networking Event at Coleshill Town Hall on Monday 5th February 2018 in partnership with the D.W.P. Sixth Form, London and New York will be attending. If parents would like to attend they are more than welcome. Sixth Form is between 10am to 12pm and London and New York between 1pm to 2pm.

Nuts and Products containing nuts

Could you please refrain from sending children in with any nuts or products containing nuts such as Kinder Bueno or chocolate spread with hazelnuts etc. Some of our children have nut allergies so these products can be extremely harmful.

Race Night

Thank you very much for all the donations so far but we would be very grateful for anymore donations of new items we can use as prizes for the upcoming Race Night. Please send these into school

Safeguarding Tip

79% of 7-11 year-olds said they would tell their parent or carer if something worried them online. That still means 21% would not. How can you keep your child safe?

Put yourself in control. Make use of the parental controls on your home broadband and any internet-enabled devices. You can find out how at your broadband provider's website or by visiting internetmatters.org
