## Befrienders Meeting...

Thank you to all our wonderful class Befrienders who are doing a fantastic job every day and helping Mrs Kaye with the outdoor equipment at lunchtime.

At our next meeting we will be looking at some new outdoor equipment for the spring term.

The role of the Befriender is a very valuable one and at Copley School we are very proud of them.

Thank you, Mrs Kaye

## Mobile phones in School

Please can we ask that any mobile phones brought into school are brought by children walking home without adult supervision. As many as seven phones can be handed into the office in any one day, and when they are collected at the end of the day it is becoming a 'status' event outside the office.

We totally understand why a child would bring one to school if they are walking home alone, but as they are not used during the school day we would be happier if they were only brought in if needed for this purpose.

School cannot take any responsibility for any phones left in school bags, or indeed in the office, if they are brought into school. Phones will be put in a plastic wallet and put in a drawer.

Please contact the office or Mrs Oldfield if you wish to discuss this in any way. Thank you for your understanding .

### Old £10 Notes....

We will not accept any old style £10 notes as payment for anything with effect from today, Friday 16th February.

The last date that the Bank of England have advised is 1st March but as this falls just after we return from half term we have decided to make it this week.

### Fancy trying a different sport?

Halifax Roller Hockey Club are looking for new members of all ages from 6+ with the first session free to all newcomers. We are wanting to build a junior section at the club and training will be on Thursdays (starting 1<sup>st</sup> March) 1900-2000 at North Bridge Leisure Centre.

Can't skate? - Don't worry, we will teach you, all kit can be provided by the club, or feel free to bring your own skates if you have any. On the coaching staff at Halifax we have the current England U17 captain, the England U17 manager and the England national goalkeeper coach so you will be getting the best from us!!

Roller hockey is played on an indoor rink on quad skates by both boys and girls and is non-contact. For a brief introduction video to the sport please have a look at
