OFF THE BLOCKS

Isabelle Morris, Isabelle Sayer, Cara Wormold, Jake Murphy-Buckley, Jake Horrocks, Sophie Horrocks, Grace Leetch, Ellie Taylor, Angel Caulfield, Jamie Wilson, Lincoln Barnes, Charlie Tomlisson and Leena Qaiser from Year 5 and 6 went to 'Off the Blocks' at Hyde College.

There were a variety of events but there was a limit on how many each team member could do. After the event we went onto races. Although the team tried their hardest, they did not finish amongst the winners on this occasion.

KITCHEN CHANGES

After saying goodbye to our cook, Sue Knight, we were introduced to a new temporary cook called Elaine. She joined the team just before the Christmas break faced with the daunting task of providing Christmas dinner for more than 260 staff and children including Tom Cassell (aka) Syndicate.

SCHOOL DISCO

Just before the end of term a school disco was held in the school hall. Years 1, 2 and 3 was held on Thursday 15th of February and Years 4, 5 and 6 went ahead two days earlier on Tuesday 13th February.

MEETING

To help students in Year 6 and their parents, Miss Millington arranged a meeting where they were told everything they needed to know about Robinwood. While they were there they watched a video about all the exciting things they do at Robinwood. After that Miss Millington talked about cost and how they can bring cost down by doing various fund-raising activities.

STRANGE VISITORS

At school something strange had come. A green, blue egg was seen and had to be looked after by Class1/2 F. They saw a clip of an alien at St John's and it was thoroughly investigated. They also saw a UFO that appeared from out of space and landed outside the school gates. Watch out.

By special guest reporter Evie Sayer, Yr2.

VALUES DAY

On the last day of term school is holding a Values Day alongside worship being led by the Ethos team. At the moment the details of what will occur is a closely guarded secret. See our next issue to read a full report.

ROBINWOOD RAFFLE

After the Christmas break Nicole and Renee Atkinson's mum set up a raffle with a brilliant prize, a craft party for the winner and their friends to enjoy. This raffle has raised £50 to help bring down the cost of year six's trip to Robinwood this year. Nicole, Sophie, Grace and Millie went round the school putting effort in and selling tickets to find the winner: he was Ethan Harrop in year 3J.

ME BUT BETTER

To start off the new year the school has been thinking about how to be better people. This topic will be looked at in worship and will be taken into all class rooms to have a better look into it. This is all about liking who you are but trying to improve on yourself.

STREET DANCE COMPETITION

In early December, pupils from Years 4, 5 and 6 entered their first ever street dance competition. Lots of other groups from other schools also came to try and win the trophy. St John's chose to build their routine around the songs "Hair Up" and "Run The World". We are delighted to announce that St John's came 3rd out of the whole competition.

CHRISTMAS SERVICE!

Year 3M and 3J did a Christmas service on the last day of term. They teamed up in a spectacular show, retelling the Christmas story in a modern day version. Rapping Roman Soldiers, Santa and his crew (including the reindeer and his elves) joined Mary, Joseph and their new born baby, Jesus Christ as the story unfolded. "It was good," said a member of audience. The service finished with the church erupting with applause.

CHRISTMAS MEMORIES!

Sadly, last Christmas will be Year 6s last Christmas at St Johns.

As they begin to look back at their history in school, the Christmas joys were filling up inside of them making them wish they could stay forever.

Memories of the reception, Year 1 and 2 nativities where they got their first taste of the fabulous Christmas story.

Year 2 where they competed in a Christmas tree competition, decorating it with the bright colours of bonfire night and put-

ting lots of effort into writing and illustrating a story about Guy Fawkes.

Year 4 where Mr Williams challenged them to create beautiful, cut out angel Christmas cards. This saw Mrs Williams coming in to help particularly with the tricky bits!

Little Mrs Hewitt's group attempted to write the Christmas story over the course of about eight meet ups.

When the current Year 6 met their buddies for the first time and after one term of school they started to rehearse Nursery's amazing Christmas nativity.

Also when they put a lot of effort into making their cards look brilliant for their buddies.

Another favourite memory is of the annual Christmas craft evening, where each teacher shares an amazing craft related to Christmas inside their classrooms.

For Year 6s last Christmas they performed in the Christmas pantomime Scrooge, where the boys dressed as Little Mix to perform a comical dance to Power, while the girls dressed as zombies and performed a strong routine to Michael Jackson's Thriller.

The memories will stay with them forever and will always put a smile on their faces.

BASKETBALL CLUB

We have some good news and some bad news: the bad news is that hockey club has ended but the good news is St Johns school came up with something better called basketball club. Try it out! It's on a Thursday after school, starts at 3:15 and ends at 4:30. You can wear a PE kit or you can wear sports clothing from your house. It might be fun. You'll have the time of your life.

YEAR 5 AND 6 GIRLS FOOTBALL

On Thursday 1st of February the Year 5 and 6 girls took part in a football tournament. They did extremely well, in fact they won 2 and lost 1. Isabelle Sayer, Isabelle Morris, Cara Wormold, Leena Qaiser, Sophie Horrocks, Angel Caulfield, Grace Leetch,

Imogen Findlow, Ellie Taylor and Nicole Atkinson were the pupils who were chosen to represent the school.

ST JOHN'S UNITED

Teams from Years 2 and 3 took a trip to The Cliff (Manchester United's training ground) for a football tournament. They all came back with good results but Year 2 did especially well by making it through to to the final. Although they lost in the final by just one goal, they were very proud to come back with runners up medals.

The teams were made up of: Sam, Finley, Sebastian, Chester, Harry, Dylan, Charlie and Kye (Year 2) Lexie, Ellie, Kian, Cailan, Niamh, Charlie, Sebastian and Howard (Year 3)

A SPORTY REPORT!

Once again we are back with GIRL'S FOOTBALL! But this time Year 3 and 4 at Curzon Ashton; the team was Lexi, Ellie, Niamh, Renee, Emily and Olivia. They won two, drew one and lost one. Girl of the game awards went to Ellie and Olivia. Overall they competed well against the opposition and did very well.
