Family Links Nurturing Course This course aims to help parents understand and manage feelings and behaviour and become more positive and nurturing in their relationships with their children and each other. It encourages an approach to relationships that gives everyone an emotionally healthy start for their lives and learning. Come along to this course and learn new ways to support and look after yourself and your family.

Welcome to the World! This course is aimed at parents-to-be and helps you to prepare for the arrival of your new baby. We deliver this with our health colleagues and it is suitable for women in their 28th week of pregnancy onwards. This course lasts for 8 weeks and gives you the chance to meet other parents-to-be.

HENRY – (Health Exercise and Nutrition for the Really Young) Our Henry course helps parents/carers to gain the confidence, knowledge and tools – as well as the parenting skills – to help adopt a healthier and happier family life. This course has a family time section when you share healthy food/play games and have the chance to practice some of the things that you have been learning about.

If you would like to come to any of our courses please ring our Admin team at Strong Close and put your name down on our waiting list. We will then ring you and let you know when the next course is running.

Courses for Parents and Carers

Positive parenting and behaviour management / Breastfeeding / Signposting to other agencies / Housing support / Home safety / Benefits / Physical and Mental wellbeing / Debt advice / Healthy eating / Budgeting/Domestic violence / Drug and Alcohol Misuse / Play in the Home

The Airedale and Wharfedale Children's Centre Cluster have an excellent Family Support Team who can offer support and advice within the home and at the centres. This service offers support to pregnant women and families with children under 5 years old who live within our local community.

Family Support Service

years old who live within our local community.
