

Tuesday 20th February 2018

Dear Parents /Carers,

We have been invited to attend a 'Solids. Liquids and Gases' science show held especially for year 5 at GSK.

This is a great opportunity to experience science beyond the classroom. This show has been very popular with the children in the past.

For us to take part, we are relying on parental support to transport the children to:

Allenbury's Sports and Social Club Ware SG12 0DJ

On: Tuesday 13th March 2018

At: 12:45pm – 2.30pm

The children will have an early school lunch and be back for the end of the school day.

Thank you for your support.

Nicola Roberts
Science Lead

'Solids. Liquids and Gases' science show - GSK
