Dear Parents/Guardians,

Today, we had an incident whereby one of our parents could not access the school disabled parking bay as the entrance to the car park was blocked by a car parked on the zigzag lines.

This led to great distress, as the parent could not move their car and their child became distressed too.

This was followed, by other impatient drivers beeping the parent to hurry, yet there was nowhere to go.

**PLEASE CONSIDER OTHERS AND DO NOT BLOCK ACCESS.**

We really do not want any of our parents and or children to be needlessly distressed.

Can we also remind parents to not park across pathways or on the zigzags in Lilley Road or the surrounding roads by school when picking up or dropping off their children.

Thank you for your co-operation.
