Dear Parents,

Welcome back, I hope you all had a restful and enjoyable half term break.
The children have all settled in well to the new term.

Fir tree classroom has been transformed into a transport museum and the gazebo into a garage, to match the children's new topic of rails and wheels.

Forge class have been learning about growing and reading an alternative version of Jack and the Beanstalk.

Hurstwood class have been continuing their fraction learning in maths challenging their understanding with equivalent fractions.

Kemsley class are learning about writing argument texts, they have been involved in some lively debate during the past week!

Oakwood class are now beginning the build up to their SATS testing in May, to ensure they are all fully prepared for the week of testing.

We have lots of sporting events and tournaments taking place this term, including: hockey, football, cross country and netball. We will send out letters to the individual children selected to represent the school. However as usual we are very dependent on parental lifts to and from these events. All parents need a DBS to help transport other children. If you can help in this way please see Mrs Sage to arrange this which is done in the school office, taking about half an hour of your time. Thank you in advance of any offers.

We have Mother's Day Breakfast and Mother's Day Lunch taking place on 7th and 8th March.
The order deadline for Breakfast is **Friday 2nd March** and for the Lunch it is **Wednesday 28th February**.

WE ARE UNABLE TO TAKE ANY ORDERS AFTER THESE DATES.

Weather Warning Please listen to the radio, check the website and alerts for school closures. The weather is meant to be getting colder next week with the possibility of snow. Please ensure your child has a warm coat, hats and gloves etc. and wellies to use on the field if it snows!

Department
for Education

We have received a letter from Rt. Hon Nick Gibbs MP who is the Minister of State for School Standards. The letter is congratulating the staff and pupils in achieving very high standards of achievement in reading and mathematics in the 2017 key stage 2 assessments. The results show that **100%** of our pupils reached or exceeded the expected standards at the end of key stage 2, which mean that our school is in the **top 1% of primary schools in England** for attainment in reading and mathematics.

Best Wishes
Michelle Cox
