Welcome back ~ St Martin's hosted the Monday INSET teacher training for all our Trust schools. It was AMAZING and INSPIRATIONAL, delivered by Hywel Roberts, who was giving staff ideas on making learning fun and engaging. On Wednesday, we also had a 'Learning Walk' around classes to look at the quality of teaching and learning, and it was a delight to see brilliant lessons across the school, with engaged, happy children making good progress. Around the school this week: Reception playing fun phonics games and being great in their 'tidy teams', Year 1 making 3d shape skyscrapers for super heroes, Year 2 counting animal legs and reading maths puzzle books, Year 3 acting out the story of Spartacus and playing drama games, Year 4 inventing space animals, Year 5 making fraction pizzas and Year 6 learning about Japanese origami and investigating angles by using a skateboard! A vibrant, fun, interactive curriculum!
