Collective Worship Reflection

As we grow up, we will watch lots of things on TV, tablets, phones and we will read stories from books, newspapers and magazines. Some things will involve real people, others may be made up. We must remember to separate their lives from our own and respond to our own situations in the best way, thinking carefully about the consequences and taking responsibility for our decisions.

Lord, give me strength to that I make good decisions that help others and allow your light to shine through me. Amen.
