1<sup>st</sup> March 2018

Dear Parents/Carers

Extreme Weather Protocol

Please find attached a copy of our Extreme Weather Protocol. We continue to aim to remain open whenever possible.

You will appreciate that to remain open we are dependent on staff being able to travel to school safely, and the deterioration in the weather today has started to impact on staffing levels.

If school is unable to open to certain departments, or in its entirety, we will notify you by text message as soon as possible in the morning.

Please ensure you check your messages, the school website [www.montongreen.salford.sch.uk](http://www.montongreen.salford.sch.uk) and the Salford LA's Website [www.salford.gov.uk](http://www.salford.gov.uk) where any closure will be notified.

Please also make sure you have considered your emergency childcare arrangements should school have to close.

Finally, in view of the forecast tomorrow children are welcome to wear their own warm clothing and footwear instead of school uniform.

Thank you for your ongoing support and cooperation.

Yours sincerely

*Gillian Mason*
