WORLD BOOK DAY 2018

We were amazed at the variety of characters which the children made for World Book Day. Everyone is depicted from Paddington Bear to Stick Man and Harry Potter. Characters have been created using a wide variety of methods and materials. Your creativity is fabulous. Well done everyone.

Thank you very much for all the fantastic entries to the World Book Day competition. Due to the high number of entries, winners will be announced next week.

We had a wonderful time on World Book Day sharing stories which is what it is all about.

Maths Board Game Competition

During half term, the children were challenged to create a board game which would develop number and calculation skills. We have been overwhelmed with the response for our children and families.

The teachers have thought long and hard about who should be our competition winners. It has been extremely difficult to choose.

Year 1 winners are Mikey Mc, Darcie D and Tobie O'C. Highly commended are Bobby Mc and Hollie Rose.

Year 2 winners are Oliver Mc, Jamie W-C and Alice A. Highly commended is the entry from Jacob Walker.

Thank you to everyone who took part in the competition.

Behaviour of Junior Children After School

Before and after school children must not play on the playground equipment including the muga (the enclosed area with artificial grass).

Junior school children are expected to respect members of staff and to follow our rules, in the same way their younger siblings do and not use equipment or enter the muga.

Unfortunately, some junior children are coming on to the infant yard and playing in a rough manner and using equipment which is not designed for children of their age. Sadly, when asked not to by members of our staff they have been disrespectful and even rude.

Please remind your junior age children to wait politely and to treat our staff and equipment with respect.

Thank you
