## Message from Mrs Mills

A fabulous start to this bitterly cold week which saw our Year 2 children attend their very first residential at the Tattenhall Centre for an arts inspired 2 days. The children were so well behaved and responded so positively to all the activities planned for them - the children even slept really well. Huge thanks must go to Mrs Williams for leading this visit, with the support of Mrs Ward, Mrs Ducker, Mrs Hall, Mrs Henderson and Mrs Burrows. Visits like these take an incredible amount of time to plan and organise, with staff taking time away from their own families to be with our children for which we are very grateful 😊. Sadly, Mrs Ducker had fractured her shoulder on Sunday and was unable to attend, but she has kept up to date with all that went on = hurry up and get better Mrs Ducker!

On Monday 5th March, you will notice work starting at the back of school to build a new car park and resurface the ground. This will affect our Reception parents and our Enrichment Club users, and will be for approximately 3 weeks (a separate letter has been sent to Reception parents).

### PE Kits

School staff have been disappointed this week about the large number of children who have missed their PE lessons due to no PE kit in school. It is a parents' responsibility to ensure that each child has the correct school uniform in school. It should come into school each Monday and then taken home to be washed each Friday. Please ensure your child has their PE kit in school.

### Waste week

Next week we are focusing on 'Getting drastic on Plastic.' The emphasis will be on reducing or eliminating the use of 'single use' items of plastic and investigating the impact these items have on our environment. Our Eco Warriors will be supporting the organisation of the week and your child should be able to talk to you about their class' challenge!

### World Book Day

Thank you to all parents who sent their children to school dressed up as a book character. Each child has practiced a part of the book; 'The Tin Forest' They performed it in our Celebration Assembly at the end of the day - an amazing example of 'Team Cuddington!'

### Best Bits of the Week:

- ☺ Reception— being introduced to our new book 'Hattie Peck, The Journey Home'.
- ☺ Sparrows - finding out lots of information about Meerkats!
- ☺ Blackbirds— Tattenhall Residential. It was amazing!

## School Dinners & Morning Snack.

### Next Week is Week 2

The cost is £2.30 per meal. The menu is available on the school website.

### \*\*\*VERY IMPORTANT\*\*\*

Please check your Parent Pay account is in credit by **9.00am** on a Monday morning for dinners and morning snack, or your child will not be able to have their pre-ordered snack or a hot meal.

### We are again taking part in the Vale Royal Lions Easter Egg Raffle.

All the funds raised by the Vale Royal Lions are used locally.

Each class will have a card containing 80 separately numbered squares and each individual square can be bought for £1. The numbered squares will then be cut up and a square will be drawn from a 'hat' with the pupil holding the winning number receiving a chocolate Easter Egg. All the classes individual squares will then be put into one 'big hat' for a chance to win one of two larger chocolate eggs or one deluxe egg!

We are still collecting empty 2ltr plastic bottles. Please clean and remove the labels where possible and send them in with your child.

### ECO Playground

Last week we made a request for items for our ECO Playground, however, as the resurfacing of our back car park is starting on Monday 5th March we will let you know what we still need and when these items can be brought into school. Thank you.
