NSPCC

Thank you to everyone who collected sponsor money for this last term. The total amount raised ended up being £940, a brilliant effort for a small school.

E-Safety Sessions

On Thursday 8th March Pamela Jennings will be in school to run E-Safety workshops with our Key Stage 2 children. If you would like to find out a bit more about these or ways in which you can ensure that your children are using the internet safely at home then she will

also be holding a parents session. This will start at 8:30 and last for 30 minutes in the year 4 classroom. Miss Worsley and her classroom will be open to look after younger siblings if needed.

BB Arts

If you would like to enter the BB Arts competition then your entry needs to be in school by Friday 9th March.

Everdon

Last week our Year 4 children enjoyed their residential to Everdon Outdoor Centre. They all had a fantastic time away and didn't look nearly tired enough when they arrived back!! A massive thank you to Mrs Morris, Miss Simpson & Ms Herrington for taking the children.

World Book Day

The children, and staff, looked amazing! Thank you for your support with this, there were some amazing costumes out there! Children should have come home with their book token today which they can use from this week.

Acceptable Use Policy

If you haven't already then could you please return this form to the school office? An additional copy can be sent home if needed. Thank you.

Dogs & scooters!

Can we please remind you that dogs should not be on the school site to ensure that we are able to keep everyone safe?

Also, although we encourage children to come to school on their bike or scooter we ask that they do not use them in any part of the playground. Thank you.

Aladdin

This was re-arranged from December and took place at the end of last term. The children really enjoyed the performance so our thanks go to FOCS for providing his opportunity for the children.

Swimming Gala

The children took part in a swimming gala recently at Daventry Leisure Centre. We took 2 teams of children and a great, if slightly warm, afternoon was had by all. The children supported each other really well and it was a pleasure to spend the afternoon with them.

Medicines

At this time of year all of the coughs, colds and other illnesses pop up. If your child needs to be given prescribed medication during the school day then please drop it in to the office where we will need you to fill in a consent form. Thank you.

Birthday Bell ringers
