We've had quite a few visitors to school in the past weeks, and I'd like to take the opportunity to **thank staff and pupils** for their great effort and commitment to making St Martin's Garden a **lovely environment for the children to learn and grow within**. The children really do model our school values nearly all the time- **they are kind, they try their best and they work hard**. I'd like to thank **Year 6** for their focus, teamwork, resilience and skills in making paper cranes recently- every one of them impressed me, and it is wonderful to see more and more of them becoming true role models. It has been lovely to see some really vibrant and interesting topic work happening in classes. We have plans ahead to continue to develop lots of engaging, interesting learning opportunities for the children.

Parents and families, please also give your 100% support to school and if you feel you have a skill or time to share supporting with reading, cooking, sewing etc., then please do let us know. Can I also remind families of the 2k free run for children at the Odd Down cycle track, every Sunday morning? There is also a bigger version at 5k in Rainbow Woods each Saturday at 9am that adults and older children might enjoy- it's a lovely, friendly atmosphere and can be a healthy start to the weekend!

Congratulations to our Trophy Winners for Term 3 ~ 'Be Kind' was won by George Renwick and 'Try Hard, Do your best' was won by Ellie Astill. Well Done and Thank you for being such great role models.

Congratulations also to all at the Margaret Coates Centre on their nomination from the National Autistic Society in the 'Autism Accreditation Excellence' National Awards category.
