### **Real PE Day**

This week, Oak Class were treated to a visit from Mr Nicell from Real PE. He spent the day with the children developing them as sports leaders. The children were very enthusiastic and worked co-operatively in all of the activities that he set up. They have already started to put their new skills to good use and have been running activities for all children to participate in at lunchtimes.

### **Year 6 Parents**

As SATs week looms, the children are working very hard in preparation for the assessments. The children are currently having focussed Year 6 time throughout the week to address any gaps in learning and to revise key areas. Homework will be linked to this. SATs booster club is going well and the children are very engaged in their learning. The link below is for a website which offers SATs revision books as extra practice should you wish to purchase them.
