PEOPLE WHO HELP US Police Visit to Foundation Stage

Next week, the children in foundation stage will be visited by a host of vehicles, people and equipment from our local police.

We are so excited to be welcoming our local police with police sniffer dogs, police horses, cars and motor bikes.

This is a great occasion for our children to get up close to a police car, meet police dogs and horses and meet real police officers.

The children will learn that the police are there to look after them and help them.

LENT

Fourth Sunday of Lent Mother's Day

Today, we think about our mums and how special they are to us. There may also be many other people in your life who are important to you and help to look after and care for you. How could you make them feel special today as well?

We pray for our own mothers, grandmas and aunties, and all the mothers in our parish, may we always show them love and be helpful and kind.
Lord, in your mercy...

Nursery Places for September 2018

Recently, a number of children have been talking about films and computer games which are not appropriate for young children, many of which have an 18 certificate. Some of the children have been scared and their conversations have even frightened their friends.

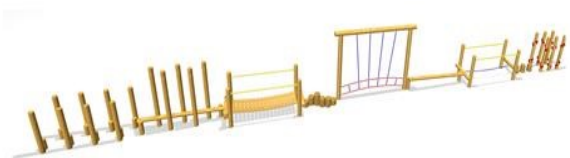

Please be mindful in making choices for your children and the effect it may have on them and their friends.

Thank you.

Reception Playground Developments

On Monday, the installation of our giant trim trail will begin on the Reception Playground and will take around 1 week.

We can't wait to see the children climbing, balancing and having fun developing their gross motor skills.

CREATION SHOWCASE

Thank you to all the parents and children who came to the 'Creation Showcase' to view the wonderful creations of our families and children.

You must agree that our children are very talented. We have all been so impressed by the range of Maths board games and story books characters.
