School Dinners

Next week we will be sending letters home regarding some exciting changes to the school dinners at Sandfield. As a result of these changes it will be necessary to make some adjustments to the current menu over the next few weeks until the end of term (i.e. Sausages on a Meatball day). Children with special diets will still be catered for and will receive meals tailored for them.

Please can we ask that payments for school dinners for next term are not made at the present time as the payment method will also be changing. If any parents have overpaid by the end of term the office will be in contact with you regarding a refund. Any debt on dinner accounts must be paid by the end of this term (28th March) at the very latest.
