Dear Parents / Carers,

We would like to encourage the children to read more widely both at home and in school and to do this, we have prepared a Reading Challenge for this half term.

Over the next four weeks, we will encourage the children to read a variety of reading materials. Your child will be bringing home a sheet this week with a menu of possible reading activities. The challenge is to see how many the children can do in four weeks!

Please encourage your child/ren to complete as many as they can and write the evidence on the sheet - you will need to sign the sheet after each activity is completed.

The children will be able to win house points, Class Dojos (KS2) or even certificates as a prize for their hard work.

Happy Reading!
