World Book Day

We were really pleased that we were able to enjoy our World Book Day activities before the snow closed the school. During the day, we launched a range of new books for children to borrow from our library. We were also treated to an afternoon workshop run by children's author, Luke Temple. He was able to inspire children to write their own stories and to read some of his stories.

Year 6 Information

Revised Year 6 Prom Arrangements

In response to parents' feedback, we would like to make getting ready at school optional. If children would prefer to get ready for the Prom at home, parents/ carers will have the option of picking up their child at 2pm. Children are still very welcome to get ready in school if they prefer and staff will be on hand to help.

The remaining timings will stay the same:

3.30pm Prom starts (meal and disco)

5.45pm parents/carers invited onto the playground ready for the Awards Ceremony which will start at 6pm.

The children will be allowed to bring in mobile phones or cameras for photos. These items are brought into school at your own risk.

Times Tables Booster Group

Any Year 6 children who do not have their times tables watch are invited into their classrooms at 8.50am each day to take part in times tables activities using our iPads. It is so important that children are confident with their multiplication tables and related division facts, ready for the upcoming SATs.
