Mrs Steer

Mrs Steer, our school cook, is retiring at the end of this term after cooking meals for around thirteen years. The staff are holding a collection for a leaving gift and parents are welcome to contribute. A new cook has been appointed to start after half term Details to follow.

Singing Together

I had the pleasure of attending the ‘Singing Together’ concert at King George’s Hall last Tuesday evening. Children from Sycamore, Poplar and Elder class sang their hearts out and had great fun on the stage singing as part of a 300 strong choir. Thanks to all the parents and friends who supported the children and to all the staff who worked so hard to prepare the children for the concert.

Science Week

Next week there are lots of great activities planned for the children as part of British Science Week. There will be photos posted on the school Twitter page (twitter.com/whalley_ce) if you would like to follow the

Chestnut Swimming

After Easter, Chestnut class are due to undertake another block of swimming at Ribblesdale Pool on Friday afternoons.

Message from the Friends — Wine Evening

‘Friends’ will be hosting a Wine night in school on Friday 16th March. The guys from Whalley wine shop will be giving you the opportunity to taste Wines from various places around the world! There will be a platter of food to enjoy during the evening too! The event is open to all, and the more the merrier! Tickets are £15 each and will be available from the school office until Weds 14th March. Why not get a table together and make a night of it? A great idea if you want to make sure the kids get you a good Mother's day present! Hope to see you there! Friends.

We encourage our children to bring healthy snacks to school and grapes are a very good choice. However, if your child brings grapes for their snack, please could they be cut in half to avoid any potential choking hazards. Thanks

Grapes

On the final Friday morning of this term (23rd March), our annual egg roll will take place in the hall. There will be prizes for the best decorated egg and for the egg which rolls the furthest. One egg could be used for both competitions but some children prefer to prepare a different egg for each competition. Please ensure that any eggs brought into school have been VERY hard boiled.

Egg Rolling

Today, all KS2 children did some excellent writing on the premise that they would have to do extra time in school to make up for last week’s snow day. The debate provoked a passionate response from the children and they wrote detailed arguments about why it was unfair. Of course, this was an exercise and we do not expect children to make up for lost learning time!!
