13th March 2018

Dear Parents/carers

SPORT RELIEF 2018 – What we are doing at The Windmills to join in on this key fundraising event:

As a school, we are aiming to see how many miles we can run over the week. Each class has signed up to three 15 minute slots where your child will run/jog/walk briskly for as long as they can. We will add up all of the miles to work out how far we have travelled together.

Please find attached a sponsorship form for your child to use to raise money, if they wish. Any proceeds collected should be delivered to the post box just outside the office (which is emptied daily) in a named envelope with the amount on it and then the office will process this and donated it to the Sport Relief fund.

We are encouraging the children to challenge themselves to see how many miles they can run individually as well as collectively for the school.

In addition to this, your child is invited to wear red or wear a sports outfit on **Friday 23rd March** in exchange for bringing in a minimum of £1 to be donated to Sport Relief. Please can the children take their donation for dressing up to their class on the morning.

Dressing up can be as little as wearing a pair of red socks or they can go as far as dressing head to toe in red or coming in as a ballerina, show jumper or ice skater.

We hope to encourage all of the children to be more active as well as raise money for a worthy cause.

Yours sincerely

C Street N Winter

The Windmills PE Department Team
