Literacy

- *Charlie and the Chocolate Factory
- * Chocolate Fact File
- * The Easter Story,
- * Spring poetry

Numeracy

- Addition and subtraction
- Shape
- Statistics
- Money

Chocolate!!!!

Thematic learning

- What is chocolate and where does it come from (History/Geography)
- Everyday materials, changing states (Science)
 - Easter (R.E)

Welcome to your parents/carers map.

This half term is going to be my favourite I think! We will be spending 3 weeks learning about chocolate, where it comes from and what it tastes like! Then it will be Spring so we can look at the change of seasons and hopefully enjoy some spring sunshine. Our final two weeks before the Easter holidays will be spent talking about Lent and Easter and the religious significance to Christians.

Reading Books

Reading books are changed twice a week, on a Tuesday and a Thursday.

If you would like the reading book to be changed please make sure you have signed the reading record.

KS1 spellings

The children will receive new spellings every week. They will be given out on a Monday and the spelling books need to be returned to school on Fridays for the spelling quiz.

Homework

Homework will also be sent home every week. This will be given out on a Wednesday and collected in on a Monday and will be based on Maths that the children have been learning in class.

P.E

Please make sure that children have their indoor and outdoor P.E Kits in school at all times. P.E this half term is Football on a Monday and Dance on a Tuesday. Please ensure your child has suitable PE clothes.
