SATs Week

**Monday 14th
May**

Homework

Homework is given out/collected every Friday.

Reading

Children need to have their reading books in school every day. Please read with your child when possible.

Year 6 SATs homework

Year 6 children will have practise papers to work through as part of their homework. Children can work through the papers independently or with an adult. We will go through the answers in class each Friday.

Please contact school if you require any more SATs information.

Children's Challenge - space word problems

1. Last night Tom counted 216 stars shining in the sky. During the next hour 98 more stars appeared, however the following hour 71 of the stars disappeared. How many stars were left?
2. NASA buys a new rocket for £93,500,000. The value of the rocket decreases by £2.5 million each year. How much is it worth 5 years later?
3. A visitor arrives from Venus and wants to know- how many hours are there in three Earth weeks?
4. The space store has 288 space suits on display divided equally on 18 clothes rails. How many suits are on each rail?

Good Luck!
