Music - Gustav Holst

Computing:
Programming, research

Homework

Homework is given out/collected every Friday.

The children will have spellings, reading and maths linked to their numeracy work that week.

Reading books are changed on Wednesdays and Fridays when needed. Please read with your child whenever possible.

Children need to have their reading books and spellings in school every day.

P.E

P.E will be on the following days:

Monday - Football

Thursday - Gymnastics

Please have both an inside and outdoor P.E kit in school, with a change of socks, tee-shirt and hairbands where needed please.

Children's Challenge - space word problems

1. There were 216 stars shining in the sky. During the next hour, 98 stars rose above the horizon and 63 sank below and out of view. Now how many stars were shining?
2. NASA buy their first rocket for \$93,500. Eventually, they sell it, making a profit of \$9,000. How much do they sell it for?
3. A visitor from Venus wants to know- how many hours are there in three Earth weeks?
4. The space store has 288 space suits on display divided equally between 18 rails. How many suits are on each rail?

Good Luck!
