

The Children's View of Packington Church of England Primary School - October 2017

'Together we can achieve more - with Jesus as our guiding light!'

Our school is caring, attentive, happy and friendly and a fabulous place to learn. Everyone is part of the 'Packington family'. As soon as you start at Packington you will be included immediately and you will make new friends.

We use our Christian values every day in school to help us achieve our full potential and to get on with each other. They help us to stick at tasks and help us to respect and care for others. They also help us to think about how we can be fair and thankful for what we have.

At Packington we learn to have a growth mindset so we can challenge ourselves in every way. This helps us to learn from our mistakes so we can improve our work and become better learners.

Our teachers are the best and everybody at our school gets very well educated in all areas. The teachers take great care of you and you can talk to them if you have any problems. They help you if you are stuck on your work and help you to sort out any difficulties. They will always listen. The school is a safe place to be.

We are challenged and mentally pushed to do our best. Our lessons are interesting and there are lots of things for us to do.

We go on some great residential visits. In Year 2 we camp out on the school grounds. In years 3 and 4 we go to Beaumanor Hall for 2 days. Finally, in years 5 and 6 we go to Bude and to Dobroyd Castle. At Dobroyd we are taken out of our comfort zone and pushed to do things in a fun way.

As you walk through our corridors there are colourful displays with photographs of us doing lots of different activities in and out of school. There are also lots of displays of our work and this makes us feel proud.

At playtime we have lots of opportunities to play on the field, the trim trail and climbing frame. We also enjoy using our outdoor art garden. In the summer we can use our picnic benches to eat outside.

Packington are a very sporty school. We get involved with so many different sporting events which the Bronze (Sports) Ambassadors help us to select, for example, hockey, tag rugby, dodgeball, tennis, football etc. It is great that we try to not let people miss out so we all have the chance to have a go.

We also really enjoy music. In Year 3 you get the opportunity to play the clarinet. We especially like the school plays we do because they are funny and we all get involved.

Our school has a safe, friendly atmosphere and it is packed with activities for children to learn. We are a big team at Packington Church of England primary School and it is a happy place to be.
