Dear families,

Thank you to parents who attended our meeting on Monday. We started by discussing what character traits parents wanted from their children by the end of Year 6. This was their list: to **be happy, enthusiastic, kind, respectful, have good manners and to try their best**. A great list, and these are exactly the values that we aim to teach the children when they are at school- very similar to our school motto in fact.

We recently awarded our two cups, one for **kindness** and the other for **trying hard and doing their best**, to Ellie and George in Year 6. Let's keep teaching the children the importance of all these important values- they are what make 'The St Martin's Way'.

Parents also had lots of good ideas about making school even better (e.g. we are ordering a set of uniform sizes that parents can check to make sure they buy the right size, and we will be exploring setting up a netball club). We are **ALWAYS** open to new ideas, thoughts about improvements, keen to have helpers in class to read/ cook/ sew with the children etc. If there is something you are not happy with, also please do let us know. We will do all we can to help. Also if you are not sure about something, please ask! We can use the newsletter to

give you information (e.g. a 'Rainbow Reader' is when a child has reached Level 26 of our reading scheme). Following on from Monday's parent meet-up enquiry, do visit www.teachingtime.co.uk and play Stop the Clock with your child if you'd like a fun resource to help with this tricky concept for children.

	<p style="text-align: center;">Stop the Clock</p> <p>Five interactive games to support the year objectives set out in the Primary Strategy. Players must drag the digital displays to the matching analogue clock. All against the clock of course!</p> <p style="text-align: center;">Year 1 ~ Year 2 ~ Year 3 ~ Year 4 ~ Year 5</p>
---	--

If you have comments or views about school, you can also put them on **Parent View**. <https://parentview.ofsted.gov.uk/> The positives are always nice to hear (please do complete if you'd like to share some positive feedback!), but all comments and opinions are helpful as we try to improve school even more.

(Parent View gives you the chance to say what you think about your child's school, from the quality of teaching etc. The survey can be completed at any time).

Our School Website: We have updated our website with new policies, information on our curriculum and helpful tips for parents ~ Please take a look www.stmartinsgarden.org.uk and let us know what you think.

- Parent consultations:** Thank you to all who attended these very valuable sessions- and thank you to our school staff for putting in so much effort into them also.
- Outdoor activities:** Next week (w/c 19th March) classes will be using the outside grounds for parts of their learning. It promises to be lots of fun! Please provide Coats.
- New Summer Dinner Menu ~ please see below the new summer (Term 5&6) Dinner Menu.** Meals cost £2.60 per day and must be paid for in advance, on a Monday. Thank you

ST MARTIN'S GARDEN PRIMARY SCHOOL
