Thursday 15th March 2018

Dear Parents/Carers

We are always looking at ways to improve communication with parents and get information to you quickly. I hope our new website has improved communication with you, however we understand that due to our busy lives this can easily be forgotten.

We are now able to launch the 'Oakwood App' to all parents and guardians. The app is linked to our website and provides you with information easily at your fingertips.

Through our app, you will be able to do the following:

- Receive reminders about non-uniform days and school closures
- Check the school calendar
- Receive the latest letters and newsletters

The app is available on Android and Apple smartphones. The app will be an easier and cost effective way for us to communicate with the school community, this is where you will receive notifications about school closures, please ensure you enable notifications.

Android Devices

Please visit the Google Play Store and search for 'Oakwood School WS9'. For the app to fully work, please ensure you enable notifications.

Apple Devices

Please visit the App Store and search for School Jotter. When you open the app, please search for Oakwood School, this will then remember your choice.

Please do not hesitate to contact us, if you have any questions or comments.

Yours sincerely

Oakwood School

Mrs K Bargh
Executive Headteacher
