Issue 22

16th March 2018

This week at Walsgrave...

It has been another incredibly busy week at Walsgrave with some fantastic events taking place across the school, from performances to residential, it has been a week packed with interesting and engaging activities for all of the children.

Head boy and Head Girl School Tour

This week, our Head Boy, Narien, and Head Girl, Delvina, toured the school to see what was happening in KS1 and lower KS2..... "We started off in KS1 with the Year 1 children. It was great to hear all the children talk about how much they enjoyed taking part in Morning of Music, they said it was great fun. Our next stop was Year 2. There was so much the children wanted to share with us. They loved all the English work they had been completing on 'The Twits' by Roald Dahl, they have even made Wormy jelly! Moving to upper school, we visited year 3 who were very enthusiastic about their trip to Mini Meadows. They got to feed a whole range of animals such as chickens, ponies and baby lambs. Our final stop on our tour was year 4. There was a lot of excitement about the KS2 morning of music, were focusing on the 'Best of British' theme and even learning a dance!" *Narien 6S and Delvina 6B.*

Year 1 Morning of Music

Mrs. Collins hosted the Morning of Music event on Thursday, with pupils from Pearl Hyde and Wyken Croft visiting us to sing and play along, celebrating past and present music from the UK. The children sang songs from the music hall in London to Liverpool visiting the Fab Four in the swinging 60's. The children performed extremely well.

Year 5 residential to Kingswood

Our year 5 children have been having a great time at Kingswood, taking part in a wide range of activities and challenges. It has been a packed few days with problem solving challenges, obstacle courses and so much more! Don't forget to have a look on Twitter for more photos of their adventures!

COVENTRY HALF MARATHON POSTPONED!

The school received the following notification at 1pm today from Coventry Sports Foundation who have organized this event -

'Unfortunately a decision has been made due to the extreme weather conditions expected over the weekend, for the safety of everybody we need to cancel both the Children's Mile & The Half Marathon. We are all extremely disappointed but will be back in touch with a new date very soon.'

We will keep parents and runners up-to-date with developments as soon as they are released.

Have a great weekend and stay safe. *Damien Sowerby (Assistant Headteacher)*

EYFS

What a wonderful week we have had in Nursery learning all about music and dance. We have made our own ribbons to dance with, learned about different styles of dance and done some tap and ballet dancing. We have also listened to lots of music played by different instruments and had a go at making and playing some our self.

KS1 Multi Skills Competition

Well done to all the children who participated in the event, they showed superb team work and hard work not only throughout the morning but in the run up to the competition as well. The children participated in 5 different events and came 3rd place out of five schools. A huge well done!

Also a big thank you to the 4 year 5 children who came to lead the 'Jumper' event. They were complimented by other staff for their helpful and kind nature

change and did a fantastic job!
