Mother's Day lunch

Many thanks to all the Mums and Grandmas that came to our Mother's Day lunch last week. It was lovely to see how excited the children were to have their Mummies in school. The food served by Innovate foods was, as usual, delicious and everyone seemed to enjoy it greatly. Also thanks to the PTA for organising the fabulous Mother's Day gifts and cards.

We have penciled in the diary **Thursday 14th June** for our **Father's Day lunch**. We look forward to seeing lots of Dads on this day if they can make it.

Headlice – Take a Peek every week

We've had another outbreak I'm afraid! Please can we remind all parents to check their children's hair on a weekly basis. This should be done using a proper detection comb to ensure a thorough check.

More News & Information.....

Year 5 Sports Leadership Workshop

Year 5 enjoyed a Sports Leadership workshop with Mr Blunt from the East Beds Sports Partnership this week. They were trained in how to help younger children during sporting activities and will practice these skills whilst helping Mr Blunt run a Multi-Skills workshop for KS1 on Monday. Well done to them all.

Quotes from the workshop

Ava - "Planning the activities for Monday was fun."

Ian-"I'm very excited about helping out on Monday."

A warm welcome and a sad goodbye

We are very sad to say goodbye to Miss.Day who leaves us on Friday. The children and teachers in Year 5 will miss her very much. We wish Miss.Day lots of luck in her future teaching career. This week we welcome Miss. McKenzie who will now be volunteering in school each day. She will spend time in each class during her time with us.

Ask your child

To help parents find out what is going on in school each week we will give a list of questions for parents to ask their children linked to lessons and activities from the week before. This week;

- Ask your **Reception Class Child** if they can tell you when it is an 'o'clock time.
- Ask your **Year 1** child if they can tell you what fabrics they explored in Design Technology this week.
- Ask your **Year 2** child if they can tell you the best conditions to grow potatoes.
- Ask your **Year 3** child to explain the features of a newspaper.
- Ask your **Year 4** child to describe the jaw structure of a crocodile.
- Ask your **Year 5** child what is the difference between a thermal conductor and an electrical conductor.

Everton Heath Primary School is committed to safeguarding and promoting the welfare of children and young persons.
