Fact Finding Parent Questionnaire

As you may know, we are exploring the possibility of extending breakfast and after school provision at Worsley Mesnes Primary School. **We need to first assess how viable this will be.** If there was sufficient interest the Breakfast and After School Club would continue to be run by qualified staff members who currently work at the school. We are working in partnership with the Local Authority to establish whether this extended provision could be run successfully at the school. There have been several expressions of interest and now we are required to undertake a more formal process of gathering completed parent questionnaires. Could you please assist us in identifying a need for out of school hours childcare by completing this questionnaire and returning it to the school office by the **deadline of Thursday 29th March 2018.**

Please ask at the office to complete a questionnaire.
