Pupil Premium Strategy – 2017/18

We are all created unique and special.

He made us all perfect having our own uniqueness.

1 Peter 4:10-11 "God has given each of you a gift from his great variety of spiritual gifts. Use them well to serve one another."

Pupil premium strategy statement - The Pupil Premium Grant is allocated to schools by the government to provide funding for the following policies:

- Raising the attainment of disadvantaged pupils of all abilities to reach their potential;
- Supporting children and young people with parents in the regular armed forces.

Whilst allocated on a per pupil basis, the grant may be spent for the educational benefit of all pupils registered at our school. We recognise that not all children attracting Pupil Premium will need support or are disadvantaged and that not all pupils who are 'disadvantaged' or need support are eligible for pupil premium. The attainment of all pupils, including Pupil Premium children, is measured through half termly pupil progress meetings where there is a focus on individual children to ensure that they are all meeting their targets. Those who are not will receive targeted support.

Pupil Premium Funding and the impact of this is a regular item on the agenda at Local Governing Body Meetings.

Designated staff member in charge: Mrs Marie Bergin/ Mrs Katherine Russell

How will the school measure the impact of the Pupil Premium?

Half termly attainment and progress analysis will take place, comparing the achievement of pupil premium pupils with that of their peers. The data and analysis will be used to inform half termly pupil progress meeting discussions, provision management and inform the early identification of need through the Class Profile. Data analysis will be completed by Middle Leaders within their subject areas and Senior Leaders, informing standards and quality of provision across the curriculum, particularly within core subject areas. Half termly pupil progress meetings will take place between Class Teachers, Senior Leaders and the Inclusion Lead, including updating the Provision Management tool and individual Class Profiles to ensure that curriculum provision is responsive to pupil need.

At each review the school will collate information as outlined above to evaluate the impact of actions taken and plan how the funding will be allocated across the next phase. When selecting pupils for Pupil Premium target groups, the school will look at all pupils across the school. There are some pupils who are not eligible for Pupil Premium who will benefit from these groups if their need is similar and we believe progress can be made towards individual targets.
