## TO EXPLORE POSSIBILITY OF EXTENDING BEFORE/AFTER SCHOOL PROVISION TO BE PROVIDED BY OUR OWN STAFF

Dear Parents,

As you may know, we are exploring the possibility of extending breakfast and after school provision at Worsley Mesnes Primary School. **We need to first assess how viable this will be.** If there was sufficient interest the Breakfast and After School Club would continue to be run by qualified staff members who currently work at the school. We are working in partnership with the Local Authority to establish whether this extended provision could be run successfully at the school. There have been several expressions of interest and now we are required to undertake a more formal process of gathering completed parent questionnaires. Could you please assist us in identifying a need for out of school hours childcare by completing this questionnaire and returning it to the school office by the **deadline of Thursday 29<sup>th</sup> March 2018.**

Dependent upon your income you could be eligible for tax free childcare to assist in the fees for this service and childcare vouchers will be accepted for parents whose employers take part in the scheme.
