Ref	Action or Decision	Owner	Date Raised	Date Due
1	JO chaired the meeting.			
	Apologies were received from Charlie Coates, Martin Fowler & Naomi	Decision	21/09/17	22/11/17
	Beck.			
	Absence was sanctioned.			
	JJe was welcomed to the FGB & will be provided with a mentor -			
	initially if JJe has any questions, JO & SZ are available to answer them.			
	Proposed: Terry West. Seconded; Rob Hopkins.			
2	None – where any arise the relevant individuals will leave the meeting			
	at the appropriate point.			
3	JG presented a short report of the FMS Finance reporting suite, which			
	provides the FRS – which tells us the position at the end of each			
	month.			
	At the end of each month JG loads up the most up-to-date financial			
	data, which is downloaded from DCC.			
	JJ; do other schools have a school fund? JG: yes & will transfer money			
	in and out the school budget.			
	At the end of October 2017, there is currently a £2K surplus.			
	We are expecting money from the Erasmus project but this is ring-			
	fenced.			
	TW: this year is a good year because we have managed to cover the			
	deficit			
	JG: this has been achieved by employing cheaper teachers, a freeze			
	on support staff recruitment & keeping a close eye on other budget			
	centres.			
	The deficit was caused by unexpected costs which were not budgeted			
	for.			
	JO: does budget run from April to March? JG: yes.			
	TW: we can plan the budget from previous years for some items, e.g.			
	cleaning - if they are not doing extra hours. Anything coming in new is			
	what we need to budget for.			
	JG: staffing is always difficult; we can only work on current staff.			
	TW: we have cleared the £25K deficit & would like to keep it close to			
	the £2K surplus, but we need to keep close attention on it.			

Ref	Action or Decision	Owner	Date Raised	Date Due
	JMcD: so we need to keep things tight & watch very carefully in year 2 & there flexibility between cost centres is possible to keep as close to £0.			
	PH: there is some uncertainty about funding going forward. JG: DCC said it might be positive by £10-12K.			
	JG: we did plan in a 2% pay raise for MPS teachers, which was agreed previously to this meeting.			
	JO: FFC is doing well. The last financial year was the 1 st surplus situation & this is continuing. The staff changes have allowed more savings.			
	JG: we are taking more money in from FFC due to the increase in take up.			
	JJ: if numbers keep increasing, we will need more staff. TW: our 1 st priority with the budget was to keep a teacher for each year group & not combine year groups.			
	JMcD: when is next years' budget set? JG: it must be approved by the FGB by the end of May.			
	TW: we received an indicative budget by end of February. TW: the resources committee will continues to look at the FRS in committee meetings, then PH or JG will present at FGB. RJ: we must make sure that the FGB get all the headlines.			
	JO: we are planning to have FGB training on finance. JG: our finance officer can come in & do this. The governors thanked JG who left at 19.32.			
4	Amendments: none The minutes of 21 st September were proposed ; Terry West, Seconded: Susie Zaleski	Decision	21/09/17	22/11/17
5	SZ, JO & TW attended a chairs training with the Diocese, & would like			
	to alter some areas. The co-chairs felt there were some areas which were missed at the FGB, so would like to move some items back to FGB meetings. It may mean 3 more evening meetings – 1 per term - & should reduce			
	the committee meetings. SZ: it was felt that things would run more smoothly.			
	SZ, JO, PH & ER – will meet to discuss. SZ: in the T & L – feels that the FGB need to know about certain areas, e.g. SPTO, monitoring.			
	TW: Resources would need to still meet half termly to do the basic work. Resources have working groups but these still need to report back to the resource committee & also the FGB.			
	GCL it is good to try to experiment in new patterns. JO: the FGB would be aware of more things.			
	RJ: the minutes from committees lose their meaning. SZ: if things were brought back to the FGB, they would be more knowledge for the governors.			
	JO: it make ER work easier.			

Ref	Action or Decision	Owner	Date Raised	Date Due
	JMcD: would like to support the thinking & everyone gaining			
	knowledge but wary of spreading too thinly. Can we set objectives?			
	SZ: the governors need an action plan – ER to find the previous one.			
	JO: we will give it a go for a set time. It is a good opportunity at this			
	time & should make things easier & more informative.			
6	PH: has emailed the School development plan to the governors.			
	PH went through it & explained the progress to date.			
	Achievement – we are focusing on greater depth – we should be			
	exceeding the national standards. We will be doing termly formal			
	assessment – using optional SATs style papers.			
	PH – used an online booking system for parent evening consultation.			
	SZ: did anyone not use it? PH: no.			
	MJ: it did lose its flexibility in being able to place some parents.			
	KS2 reading time after lunch – discussions are taking place to use this			
	more effectively.			
	PH: doing staff appraisals.			
	PH: numeracy ninjas – 15 minute daily session – which requires less			
	parental supervision.			
	MJ: for less able children, this can be an issue as they struggle with			
	the timing aspect.			
	JJO: children are more organised in the mornings because they know			
	that the 1 st task is to check their numeracy ninjas.			
	PH: Robotics – JJO & JW are off to Spain.			
	JJO: has applied every year for sports awards – this year aiming for			
	platinum.			
	PH: Spanish has fallen off the learning – it is statutory in KS2. SZ has			
	offered to assist & will be meeting with JW.			
	PH: Lightbulb languages – free teaching, 30 minutes per week or same			
	amount per half term.			
	MJ: JW has good multi-faith planning.			
	JJE: was radicalism & extremism teaching in response to Ofsted? PH:			
	partly, but also in relation to our school position in the country.			
	SZ: what about the online level 2 safeguarding training? SZ will ask			
	JG to send out details.			
	Good progress has been made overall.			
	JO: governors need regular learning walks, please book with PH.			
7	JO: congratulations on the excellent SIAMs result.			
	PH: it was outstanding in all areas – with the new framework, only 18%			
	of schools in Devon achieve outstanding.			
	PH: gave lots of evidence			
	JJO: he looked at our position within our community.			
	JJE: can you direct this to parents? PH: we can point out the moral			
	issues, pastoral care etc to non-Christian parents & the Christian			
	aspect for other parents.			
8	SPTO – the training on 21 November was mainly focused for teachers.			
	Main changes – there is now governor access for SPTO.			

Ref	Action or Decision	Owner	Date Raised	Date Due
	PH: governor access is limited & is dependent on how much is allowed			
	by PH – no individual children will be seen.			
	PH: provided passwords for all governors. Governors are able to			
	freeze data dashboards for comparison.			
	JO: we could do this in a FGB meeting.			
	SZ: it would be useful – will ask NB to do it at the January FGB meeting. PH: there are changes to assessment - reduced evidence is required			
	for y2 & 6.			
	SZ: is there a comparison sheet between the old and new system?			
	JJO: yes, we can print it off. SZ: perhaps NB can distribute it at the			
	January FGB.			
	PH: ARE = age related expectations & there is greater depth.			
	PH: the teachers appraisals include setting children's targets.			
9	PH: Devon has agreed to the national scheme – there is a new			
	communication system between police & schools. Any family abuse			
	will be notified to the lead child protection officer in school before 9 am			
	next day. Going live from 27 November.			
	TW: DAF – has this happened? JJO: no it hasn't.			
	JJO: JO is the safeguarding governor.			
	PH: MASH are sending through lots of information.

	Yr 6 – 31			
	3 children will be leaving due to employment.			
	Children are coming into reception & yr 1 & there are new enquiries for			
	reception and yr 1.			
	JJO: number of enquiry's following Ofsted.			
	JMcD: what is the maximum number of children that we can have?			
	PH: the money we receive is based on census day in October.			
	PH: has declined a service family because it would increase a class to			
	33 in KS2.			
	JJO: the teachers are aware of the finance situation and are happy			
	with the increase in number to 32. TW: it is the physical space for the children.			
	PH: it is also the extra work that the increased numbers bring.			
	TW: Ofsted queried number of support staff, but these are used in the			
	classroom.			
11	ER to find the previous action plan and send to the co-chairs.
