Dear Parents,

We are swiftly approaching the end of term, which is always a busy time for the children.

Do remember to keep an eye out for alerts to remind you of the various events over the next week.

Well done to Forge class for a great class worship, what a fabulous game of noughts + crosses! The prayers which they shared with us were very thoughtful.

Fir Tree class had another visitor this week, Miss Fenson's sister brought in her Caterham 7 car, which the children all thought great.

Forge Class have been working on Jack and the Beanstalk and learning about life cycles in science.

In Hurstwood class the children have been writing and learning about sound in science.

Kemsley class have continued with their persuasive writing about a circus and making plaques in their topic.

Oakwood class have been writing newspaper reports and investigating gears in science.

Thank you to FOBS for the Mothers Day Gift Sale and all the parents who gave up their time to buy the gifts and sell them to the children. Also thank you to all the parents for supplying the children with money to spend on gifts which helped raise money for our school.

The children who took part in the cross country on Friday all did extremely well with Ethan Rollings and Oscar Colyer coming 1st for their age groups. Henry Ridden 2nd for his age group and Alessia Suvari placed 3rd in her age group. A very well done to you all.
