We have had a lovely end to the term. It was lovely to see so many of you at the Parent's Café and we are most grateful for your kind donations to Sport Relief. It has been great to have Lisbet back with us this week after her recovery and the children have been pleased to welcome her back as we all have. The training I have been away on this week has been really positive. It was focussed on improving the quality of life for all our learners and supporting them to achieve their best. The staff team will be undertaking training related to this over the next two terms. I hope you all have a restful Easter break where ever you may be and we look forward to welcoming you back on Monday 9th April.

Swimming Help ~On Tuesdays we have swimming and we are always looking for parents that would be willing to come in and help from 10:15am – 12:15pm. It involves supporting staff with children changing and in the pool. If you are interested please do speak to myself or a member of staff and we can explain more.

Dance Umbrella ~All the staff were immensely proud of the children that took part in the Dance Umbrella last week. They were all magnificent and lots of teachers and other parents stopped me to comment on how wonderful they were.

Saturday Club ~Lovely to see so many children, thank you to Bridget for setting up the craft table so that children could make paper hyacinths.

Home visits ~Please let us know if you require any behaviour support or would like to meet to discuss the progress of your child and strategies to support them. Class teachers are able to come and meet with you at home and see your child at home and reinforce any messages to support you at home. Please write in the home school book if you would like a visit.

Reading at home and supporting your child with English ~

Our school follow a programme called Read, Write Inc. to help with teaching reading, writing and spelling. A number of parents over the last couple of weeks have asked for a little more information. Please have a look at this website as there is a wealth of information. <http://www.ruthmiskin.com/en/parents/> Many thanks for your support with their learning as together we can achieve the very best for them! The children have been learning about the Christian beliefs around the festival of Easter. All the classes have enjoyed making Easter cards for our families this week as well as crafts and chocolate nests. We had fun finding rhyming pair eggs - a request from the Easter bunny! Well done to Platinum class for completing their Sports Relief challenges.
