FOCSA News

The Easter Egg raffle was done in assembly this morning with the vast majority of the eggs being given to the winners in assembly. There are a few unclaimed eggs in the office...but make sure you have kept your stubs because there are no names on the back of them. If the eggs are not claimed by Tuesday next week FOCSA will do another draw to give them out.

Thank you to those who donated Easter eggs for the raffle.

FOCSA 100 Draw also took place in assembly this morning. Winners will be notified next week. Thank you for your continued support.

Independence and Resilience Skills

Please can we remind parents from KS1, in particular, that children should be coming into school on their own. As you know resilience is one of our core values and children need to be able to come into school by themselves and get their belongings organised in preparation for the day. If you need to speak to staff please ask Miss Adamson or myself who are on the main door in the mornings, and we can arrange for cover so that the teacher can come and see you. We can also pass on any messages to staff if needed.
