MATHS

During the summer term, we will be having a big push on arithmetic in Years 1-5. Before the holidays, the children will do an arithmetic test. Teachers will record the scores of these tests. In class, the children will focus on one or two of their arithmetic objectives for a week. They will also bring home a sheet or two of arithmetic practice sheets for homework - this is instead of the teacher setting homework on Mathletics. Of course we would still encourage the children to continue to use Mathletics and Times Tables Rock Stars to work on other areas of Maths. At the end of Summer Term 1, the children will do a second arithmetic test so that they can see how much better they have become. This has been a huge success in Year 6 in the Spring Term, with some children increasing their score by huge amounts. Year 6 will now be focussing on shape, geometry and reasoning type work.

Thank you for your support with Maths. *Mrs Ripley*

YEAR 2 MATHS

Please see our school Twitter page for daily maths problems (White Rose Hub-KS1 daily maths problems). Please do have a go with your child when you have a spare minute. These will hopefully prepare your child for similar questions as they prepare for their end of year assessments in Year 2. Thank you *Mrs Longstaff*.

SCIENCE

In assembly on Thursday morning, the children were introduced to 'The Plastic Tide'. They discovered some of the problems caused by plastic pollution in the sea. In class, they have carried out a follow up activity about reducing, reusing or recycling plastics to reduce this (8 million tonnes of plastic enters the sea each year). The children also enjoyed a fun science investigation during the day.

COMPETITION

The organisers of British Science Week are running a poster competition with the theme of exploration and discovery. If your child would like to enter, please send their poster into school by Tuesday morning (27th March). The Investors in Pupil Reps will choose up to 5 posters to send into the main competition. There will be a small prize for entries from each class. Entries must be 2D, on either A4 or A3 paper. They can be about any type of exploration or discovery.

EASTER PRODUCTION LED BY YEAR 4 AND YEAR 5

The Easter Production will take place in school on Wednesday 28th March at 1.45pm, all parents and carers are warmly invited to attend including those whose children are not in Years 4 and 5.

Please can the children continue to practise the songs for the Easter Production. After the Production there will be a bun sale, where parents will be able to purchase buns with money raised going to support an ex Ss. Peter and Paul pupil who is going to Lourdes this year as a volunteer helper. Any remaining buns will be on sale after school for parents/ carers to purchase.

SCHOOL NEWSPAPER

Our fifth edition of the School Newspaper is now on sale at a price of £1 per copy. This edition of the newspaper is literally bursting with news and information so we encourage every family to look out for

our School Council who will be selling the Newspaper at the beginning and end of each day! Happy Reading!

PLAYGROUND BEFORE AND AFTER SCHOOL

The children are not allowed to play on the school grounds before and after school. As previously stated we are not insured before or after school. The school doors are open from 8.40am, which is also the time school becomes responsible for the children's safety. This week some children were playing in the school grounds before 8.30am. If this continues, the gates will have to be kept locked until we are 'legally' responsible for the children. Please keep your children with you at all times when they are under your care and encourage them to follow the school rules.

GAMES WEEK

A big thank you and a big well done to all those children that 'ran' games this week. Well done to the Mini-Vinnies who supervised the games – we have raised £465, which is an excellent amount. The Bishop will be pleased when we hand over our cheque in May.

BINGO and FAIRTRADE CAFÉ

We had a very enjoyable afternoon with a game of bingo and cakes galore. Thank you to the Food Ambassadors for bringing in their Fairtrade products for this afternoon's café and thank you to all parents and carers who came and supported this event in school. We raised an impressive £194.00 at this event. We also have some chocolate prizes left over so we are doing a raffle next week to raise further funds for the Good Shepherd. Thank you *Mrs Longstaff*

CHOCOLATE RAFFLE – NEXT WEEK!

On Monday next week, we will be holding a chocolate raffle in school. If children bring in 20p they will be given 2 raffle tickets. Winners of the raffle will receive a chocolate prize. Money raised will go to our Lenten charity The Good Shepherd Appeal.
