23<sup>rd</sup> March 2018

Dear Parents,

It is with great sadness that I have to inform you that I have this week received a letter from Mrs. Vickery informing me of her intention to resign her post as Headteacher with effect from the 31<sup>st</sup> August this year.

Mrs. Vickery has been with the school for nineteen years over which time we have seen the school grow and flourish. When she came there were only two permanent classrooms in the main building, a tiny staffroom and office, no heating in the toilets and a number of rather old and dilapidated 'temporary' classrooms. As the numbers of children wanting to attend the school grew Mrs. Vickery has seen through four major building projects to expand the premises into the lovely school you see today.

A school is more than buildings and Mrs. Vickery has had a knack of being able to gather around her an extremely competent staff who have also got on well together so that the staff room is always a joy to be in and a place where there is much laughter. This affects the whole school making it a happy place for all the children who have passed through its doors; I have had four children through the school myself and they all have happy and positive memories of their time there.

Mrs Vickery has guided the school through much change and through four very positive Ofsted Inspections where we have always been rated as "Good", latterly "with outstanding features".

The school, students, staff, governors and parents alike, will miss her enormously; her efficiency always tempered with a good sense of humour has made our school an excellent environment in which to learn and work.

The Governing Body will immediately begin the process for advertising for and appointing a replacement Headteacher in accordance with the legal requirements.

With best wishes.

Yours sincerely,
