DIRECTOR OF THE WEEK

Mrs Ann Jefferson

I have lived in Great Broughton for more than forty years. Two of my sons and one grandson attended Broughton Primary School and over the years I have also been involved with the school professionally both in my role working for the County Council as a Special Needs teacher and more recently as part-time SENDCo. Since retiring from that post I have been the Director with special responsibility for SEND (Special Educational Needs and Disabilities) and am now also Chair of the Curriculum Committee.

I have taught in further education, been a primary class teacher, and worked for several years in a Pupil Referral Unit, having qualified as a specialist in behaviour and emotional difficulties. I maintain a strong interest in SEND, not least because I have an adult son with severe learning disabilities. I enjoy going into school to work with children occasionally and am happy to have the opportunity to use my experience in this way.

I am an active member of the local church and am very glad to see the positive links the school has with the church. In my spare time I enjoy playing music with a U3A group and a ceilidh band, being part of the Punch Bowl quiz team, and spending time with grandchildren. I have also started a small music group that now meets fortnightly in the church.

A reminder to all parents of Year 3/4 children that it is the **Derwent Hill residential** when we return after the holiday, Monday 16-18th April. You all have your kit list and we look forward to seeing your child in school at 11.00am on the 18th.

A reminder that we **break up this Thursday 29th March** at the normal time and return on Monday 16th April. Have a lovely Easter break and don't eat too many eggs!!

KABS Easter Fayre went very well last Friday and the great amount of £700 was raised to benefit all our children. Thank you all for your support and donations last week. Winners of the Easter bonnet and decorated egg were:

We are looking forward to welcoming two **CPTT (Cumbria Primary Teacher Training) Trainees** into school shortly. They come for various induction days in school beginning tomorrow Tuesday 27th and their full practice begins on Monday 30th April until the end of term. Nursery are to have Miss Emma Burdon and Year 2 Miss Laura Jackson.

Well done to Year 2 on their **Bright Stars Young Enterprise work**, the culmination of which, for some of the children involved, is a presentation at Energus tomorrow. The final sum they raised was £770, a great achievement!

Mr Strachan's joint choir concert is at Dearham School tonight and we are looking forward to an entertaining evening once again.

For those children in Class 6 who have signed up for **orienteering** there is now an additional event at Fairfield School, Cockermouth on Wednesday 18th April and the children will be returning to school at approximately 4.00-4.15pm.

Conor Cooke will resume **football training** after the holidays. KS2 will be on Mondays and KS1 on Wednesdays, both 3.20-4.20pm. The sessions begin on **Monday 23rd April** for 4 weeks and the cost is £10 for all four sessions and needs to be paid in this instance **BY CASH WHEN** you return the attached slip to school.

You may or may not be aware that a lot of children in school are playing on a free game called **'Fortnight'** and it is a 13+ rating. I believe there are scenes of death and shooting on it which we in school consider to be highly inappropriate for your child to be witnessing. Please support us in ensuring that they are not playing on any game which is rated beyond their age.

We wish Mrs Greenbank and her family well as she heads to Australia during the holidays to support Luke representing his country at the Commonwealth Games. We have all our fingers and toes crossed for him!
