Sports Relief Week

The children have had a busy and sporty time this week in aid of Sports Relief. KS1 had a **Multi-Skills Workshop** with Mr Blunt and **Sports Leadership** help from our Year 5's. KS2 learnt how to play **Lacrosse** at the Village Hall on Monday. Ash Class had an **extra PE lesson** with Mr Emmerson from SSG. Years 3 and 4 enjoyed a **Tag Rugby Tournament** on Thursday at Alban Academy. Miss. Page said they represented us very well when taking part in all the rounds. Some of our KS2 will also finish the week performing their final rehearsal for their **Dance Showcase** on Sunday at Sandy Upper School.

What an active lot we are! Well done to everyone for such keen participation.

Ms. Russell ☺

Headlice – Take a Peek every week

We've had another outbreak I'm afraid! Please can we remind all parents to check their children's hair on a weekly basis. This should be done using a proper detection comb to ensure a thorough check.

More News & Information.....

Chicken Pox

Just for parents to be aware that we have had a confirmed case of Chicken Pox in school. Please could we ask that everyone is vigilant in looking out for any symptoms so that we can try and avoid any further spread. Many thanks.

Welcome, Welcome!

We are very pleased to welcome a new teacher trainee into Elder Class for the next six weeks. Mrs.Griffin will be joining Mrs.Rumbles and Mr.Walmsley teaching our Year 5 children. We hope you enjoy your time with us.

Ask your child

To help parents find out what is going on in school each week we will give a list of questions for parents to ask their children linked to lessons and activities from the week before. This week;

- Ask your **Reception Class Child** if they can tell you how they planted their beans.
- Ask your **Year 1** child if they can tell you what fabrics they used to create 'hair' during their DT lesson on Monday.
- Ask your **Year 2** child if they can tell you what they are growing in class linked to our Science lessons.
- Ask your **Year 3** child to tell you about their Tag Rugby tournament.
- Ask your **Year 4** child to describe the inside of an Egyptian pyramid.
- Ask your **Year 5** child to explain *The Global Economy Chain*.

Medicines in School

Please can we remind parents that if medicine is needed to be taken in school time they must be prescribed by a doctor. The medicines must clearly state the child's name and dosage requirements. This applies to inhalers as well. A medical consent form must be completed and signed by parents and then kept in school. Thank you.

Everton Heath Primary School is committed to safeguarding and promoting the welfare of children and young persons.

Fabulous Feast Guests

Fabulous Feast guests who lunched with Ms.Russell this week were **Oskar, Jacob, Poppy, Olivia G, Erin** and **Ian**. These children were chosen to dine with Ms.Russell for being impeccably behaved all week. It was lovely to have lunch with them all. 😊
