Year 3/4 Home Learning Easter Task

Dear Parents/Carers,

In preparation for our forthcoming history topic on the Vikings, over Easter we would like the children to research an aspect of the Vikings that interests them and make either a model, piece of sewing or artwork such as a collage or painting. A few possible suggestions include a Viking longhouse or ship; clothing; a sketch; painting or collage of a Viking God; or a Viking board game.

Please can the children bring these in by Friday 20th April. Enjoy and be creative!

Thank you for your support with this task. We look forward to sharing their creations.

Year 3/4 Team
