Lockdown Procedures

Every term we practice what to do if we have a fire at school as it is important that we all know how to stay safe. Next term we will be practicing something else which will help to keep us safe, this activity is called 'Lockdown'. Examples of needing to apply the procedure could be that there is a dog in the playground, an unknown visitor in the school grounds or a nearby fire which is blowing fumes towards the school.

We will practice this procedure so that pupils and staff know what to do if something is happening outside the school building and we need to stay safe inside. This practice will take place on Monday 23rd April following an assembly presented by Jason Shirazi, Kirklees' Principal Emergency Planning Officer, whose job role consists of advising schools on their emergency planning procedures, such as Lockdown.

If you have any questions in relation to this, please do not hesitate in catching Mrs Townsend in the playground or contacting the office if you wish to arrange a suitable time in which to speak to her.
