HOLY WEEK

This week, we remembered the events of Holy Week in very special ways.

On **Monday**, the children remembered **Palm Sunday**. They made palms, welcomed 'Jesus' to the school and sang 'Hosanna.'

On **Tuesday and Wednesday**, the children remembered the last supper with their class. They re-enacted the **Last Supper** with their class and their class teacher re-enacted the part of Jesus washing the disciples feet.

Today, we solemnly remembered **Good Friday**. We gathered in the hall and listened to the story. In prayerful silence the children left the hall and quietly laid a flower at the foot of the cross. Thank you to all the parents who, together with their children, laid flowers and said a prayer at the foot of the cross.

NEW EARLY TRIM TRAIL

The children in reception have loved trying out the new trim trail in their playground.

In using the trim trail, they are problem solving, building muscle strength and fitness and developing their gross motor skills.

We ask that the trim trail is not used before or after school to avoid injuries. Any outside play equipment must only be used when it is supervised by member of staff.

WOW Assembly Walk on Wednesday Assembly

Jane from Living Streets came and visited school to talk about the benefits of walking to school. Many children have already collected badges for walking to school on Wednesdays.

We all know that Pilch Lane is incredibly busy in the mornings and at times can be dangerous. The more children and parents can walk to school or park further away and walk a short distance, the better for us all.

The children also learned about the other benefits to walking to school;

- Healthy heart
- Strong muscles
- Good for the environment
- Its fun
