Food for life Bronze Award

Woodlands School has been awarded the Food for Life Bronze award for its healthy and climate-friendly food culture.

Bronze schools serve seasonal school meals that are at least 75% freshly prepared by a well-trained school cook. Pupils and parents are involved in planning improvements to school menus and the dining experience via a school nutrition action group, boosting school meal take-up. Every pupil has the opportunity to visit a farm during his or her time at school, and opportunities are given for cooking and food growing activity

Sue (SALT)

Our congratulations to Sue on her temporary secondment to Lead Therapist. Nikki will be seconded to Woodlands for a year and will take over Sue's role. We are pleased for Sue and look forward to working with Nikki.

Message from Iain

Our very best wishes for a lovely Easter Break. We look forward to working with you in the Summer Term, and to some warmer weather.

We have signed off this term in style, with 3 prize giving's, a vibrant and highly successful Cultural Diversity Festival, The Easter Service and the 6th Form Residential.

We will share the Cultural Diversity Week and Residential adventures next term.

We are delighted that 'Nick the Vic' will support both of our services this afternoon and that pupils will have the opportunity to watch videos of our choir, a performance specially recorded in school, and Simon's journey on The Voice! Our congratulations once again to Simon, and thank you for showcasing our amazing choir!
