Dear Parents,

We have certainly had a busy term despite the four snow days, which did cause a lot of excitement.

We had the book week, which all the children really enjoyed, we are yet to add up all our minutes of reading which will then be added to the national results. Do remember to send your children's reading grids back in, they will be receiving their certificates after the Easter break.

Some of the children may have started to come home with newly colour coded reading books, these colour codes fit in with the National Curriculum colour codes for reading, allowing us to have a more informed approach to home reading. These only form part of what we do with teaching reading in school. The biggest thing we do is teach comprehension, ensuring the children thoroughly understand what they have read, interpreting characters feelings and behaviours as well as understanding the meanings of words.

Year R had a wonderful, but chilly time at Dover transport Museum, their behaviour was absolutely impeccable and Mrs Harvey and Mrs Steer said they were all a pleasure to take out.

Hurstwood class had a very wet morning at the woods, looking for signs of birds and animals. Some very muddy wet children returned to school!

The Year 3 children played extremely well during the football tournament at Greenfields on Tuesday and were once again a credit to the school. Emily managed a very brave save resulting in her losing her (luckily already wobbly) tooth!

Club letters will be sent out next term, some of the clubs to be offered will be: Korf ball, football, cricket, athletics, choir and gardening etc. Do keep an eye out for these letters during the first week back to school.

Reports were sent out on Wednesday. If you do have any concerns regarding your child's report please do speak to the class teacher as there is nothing worse than worrying all over the holidays. We are happy for this to be a telephone call to discuss any concerns you may have.

The Easter Service went very well, all the children spoke clearly and sang beautifully, filling the church with their voices.

Term 5 is always an intense term due to KS1 and 2 SATs testing and Year 1 phonics testing. The children in Years 1, 2 and 6 will be working towards these for much of term 5. We will be holding SATs meetings prior to the testing to inform you about the testing for both year 2 + 6. Luckily we do have May Day to practice to give a break from the tension and hard work.

There will also be a Arethusa meeting for the Year 5 + 6 parents as this will soon be upon us and a Year 5 secondary transfer meeting during this term.

Finally do have a lovely, relaxing Easter break, hopefully with some sunshine!

Best Wishes

Michelle Cox

WELL DONE FORGE CLASS!

Attendance is very important for your child's learning.

We will be starting swimming next term and we will need parent helpers to help the children change and be an extra person around the pool.

If you would like to volunteer you will need a full DBS which will take approx. three weeks to clear.

Please give your name to Mrs Sage if you can volunteer.
