**NEWSLETTER - 29<sup>TH</sup> MARCH 2018**

Dear Parents,

Many thanks to our PTA for organising the Easter egg raffle this afternoon and for everyone who made donations to support this event. We were also amazed by the fantastic decorated eggs which were on display; what talented and creative children we have! Our Year 6 children were very successful in organising our duck race and for keeping those ducks under control! It was a lovely way to end the term.

**Incident on Wednesday morning**

You may be aware that on Wednesday morning one of our children was involved in an accident with a car on Kirkby Lane opposite school. Thankfully the child was not hurt in any way and is fine and well. However, it was very concerning for us all and raises the issue of cars outside of school once again. Please be assured that the incident has been reported to the Police and is being fully investigated. In the light of this incident I would ask that everyone is extra vigilant when bringing their children to school and picking them up and that everyone follows the rules when parking their cars. No vehicles should be parked on the yellow lines opposite the layby or on the yellow diagonal lines by the large gate to the staff car park. Many thanks for your support as we continue to address this worrying situation.

In order to reduce the number of cars around school The Wainstones have kindly agreed to allow parents to park in their car park before and after school times enabling families to walk the short distance to school safely.

**Book Fair**

Many thanks for supporting our Book Fair last week, we hope the children are enjoying reading their new books. Mrs Walley is now looking forward to choosing some new books for our school library.

**Easter Service**

It was wonderful to be joined by so many parents and friends at our Easter Service yesterday. Well done to the children for leading our worship so well, re-telling the Easter story in readings and hymns.

**Congratulations**

Well done to all our athletes who competed at the cross country event last Thursday. We are delighted to report that Daniel and Alice in Y3 have made it through to the North Yorkshire County finals.

Our Y6 hockey team also represented our school brilliantly in the Stokesley cluster competition last Friday. We are very proud of all our children who once again have shown a great sporting attitude.
