

CASTLETOWN PRIMARY SCHOOL

Impact of Sports Funding Grant (2016-17)

£8,835

Activity	Cost
1. Gymnastics coach to work across Years 1-6, teaching a 6-week block per year group; also providing CPD for teachers.	£1785
Impact of 1 (above) Gymnastics taught across the school by a qualified coach ensuring all pupils had access to an appropriate curriculum for their ability and age. Teachers were all part of the sessions and received relevant CPD (including the planning process) to enable them to confidently deliver a gymnastics curriculum next year.	
2. Swimming provision for children Y2-Y6. Half term block per year group.	£1,860
Impact of 2 (above) All children from Y2-Y6 had the opportunity to learn to swim over the academic year. Additional 'mop-up' sessions were organised for pupils in Y4, 5 & 6 who were still non-swimmers at the end of the academic year. 98% of Y6 pupils left primary school able to swim at least 25 meters.	
3. Two TAs to be trained as lifeguards to support swimming provision.	2 x £450 = £900
Impact of 3 (above) Training given to enable 2 members of staff to be able to act as a 2 nd lifeguard to be with our pupils at all time during swimming lessons. They were also able to provide additional support for some pupils both in the water and on the pool side.	
4. Lunchtime coaches to support sporting activities over lunch break.	£1500
Impact of 4 (above) Children were trained as play leaders to work alongside coaches to support games activities during play times and lunch time breaks. More children became involved in sporting/fitness activities.	

After school provision

After school clubs – all to be accessed through Keep Kids Active.
Provision not yet finalised. Meeting on 16.9.16 to put programme together.

£2200

Impact of the above

A wider range of activities were offered such as street dance, hula hooping, basketball to encourage more children to participate in physical activity. All classes offered were filled to capacity with a waiting list of others wanting to take part.
