Dear families,

This week: Reception class have been really excited to write about their interests, Year 1 discovered an alien, Year 2 built 1666 London as part of learning about the Great Fire, Year 3 learnt to play cricket, Year 4 tasted Chinese food, Year 5 made Egyptian silhouette pictures and Year 6 began to learn about the Mayan civilisation. Another vibrant and exciting week at St Martin's!

1. **Congratulations:** To the winners of our termly trophies. Jack in Year 2 won the 'Try hard, do your best' award and Ruby in Reception won the 'Be kind' award. The children get to take the trophies home for weekends and display them in school during the week. Jack and Ruby have been role models of our school values, and show that even the younger children in school can show others how to be fantastic school ambassadors.

2. **Computer games/ films etc.:** Although it is not a school matter necessarily, please can we suggest that families check that children are **playing/ watching age-appropriate content** outside of school. With so many violent computer games for example on the market now, please be mindful of the age ratings that come with the products. Some experts suggest that playing inappropriate games can have an effect on how children play in school, and the things they write and talk about. Thank you for your cooperation.
3. **Bath City football assembly:** We look forward next week to having Bath City do an assembly for the children- we hope to be visited by Bladud the Pig, the club's mascot. Children will also have free entry to the Home Match on Saturday 28<sup>th</sup> April if you'd like to take them along.
4. **Judo:** There are still places available on the Lunchtime (Thursday) Judo club for Term 5 with Bristol School of Judo. Please sign up if you are interested <https://permission.click/zzze>.
