April 13th 2018

Last term, a group of children were asked how we could improve school dinner times. One of their ideas was to help to serve the salad bar to the younger children. This resulted in organising Food Hygiene Training for years 4, 5 and 6 which took place on Tuesday. It is hoped that all the children in school

will be encouraged to eat healthily and try different types of fruit and vegetables.

Year one have been learning how to add two 2-digit numbers this week. Toby was very pleased with his calculations.

Attendance reward activities led by the children were really enjoyed in Miss Dowling's class this week.

Due to unforeseen circumstances we need to change the date for our Sports Day. This is now planned for the afternoon of **Friday 25th May**.

Stars of the Week

Nursery – **Carter** for recognising his own name and settling so well into full-time Nursery

Reception: **Jack** for trying really hard with all his writing

Year one: **Noah** for brilliant writing all by himself in 'Big Write'

Year two: **Lucas** for rounding to the nearest 10 and using this to estimate

Year three: **Michael** for his confident approach to challenging maths and volunteering answers throughout the lesson

Year four: **Kylan** for drawing a beautiful illustration of London during 'The Plague'

Year five: **Ruby** for persistently trying to push herself in maths and try a challenge

Year six: **Poppi** for producing a brilliant ending for our 'Big Write' and contributing some very interesting ideas
