Dear Parents

16th April 2018

Newsletter 25

Welcome back, we hope you had a lovely Easter break?

TALENTED PUPILS

We would like to celebrate our pupils' talents and raise the profile of our children's achievements in the community. If you would like to participate in this celebration, would you email a photograph or certificate and a short commentary about your child's current interests? We will then build a display in school so that others might support their successes. All contributions are welcome - examples might include: football, dance, gymnastics and riding.
